Dear Dr. Inskeep:

We have now received an Official Action in connection with the above-identified patent application, a copy of which is enclosed herewith.

As you will note, the Action sets forth a restriction requirement alleging that there are four species being claimed herein. A response to the restriction requirement must be filed on or before August 26, 1979 in which we are to elect a single claimed species for further prosecution in this case.

We solicit any instructions and/or comments that you may have in connection with this Action so that a timely response may be filed thereto.

Sincerely yours,

Morris N. Reinisch
